#### **STARS Success Yourself<sup>©</sup> Workshop in Road Transport Company (O.S.Y. SA)**

**The three two-day Professional Development workshops, «STARS Success Yourself<sup>©</sup>», were successfully held, involving 46 O.S.Y. SA executives. Those were implemented by knowl Social Enterprise on 14 & 15 November, 21 & 22 November and 5 & 6 December, 2014. Read More**

Through interactive exercises, discussions, presentations, practical examples and surprises, the workshop educated 46 members of the upper and higher level of the administrative pyramid of **O.S.Y. SA, OASA and STA.SY SA**, so as they distinguish the important role that the Manager - Coach plays in recognition and exploitation of talents, strengths and skills of the members of their group, and cultivating attitudes in a realistic and effective framework.

The active participation and the substantial contribution of the trainees during the training process, through practical examples and information about their daily experiences, was utilized in the best way, ultimately resulting in an experience highly educational, effective and beneficial for the whole organism.

Indicatively, we present some testimonials of the trainees, comments which were received by trainees, and which we consider to be representative of the general assessment:

"Excellent presentation"

"There should be continuity and further transmission to others"

"Let us enjoy more of this kind of seminars"
